

TPM Practitioner Level 3

Robert Fletcher

Robert Fletcher has devoted his life to helping others, having created these powerful, rapid, and very safe methods of mastering the art of personal change. He's known internationally as the Creator and Instructor of Thought Pattern Management®

What You Will Learn:

Level 3 Covers These Advanced Subjects:

- ADVANCED TRAINING IN THE ENGINEERING MODEL
(with applications to health issues)
- ADVANCED MENTAL LANDSCAPING
(with application to life content categories. ie spiritual landscape, health landscape, relationship landscape, etc.)
- ADVANCED META PROGRAM ADJUSTING
(with application to designing who you are or want to be)
- SPACE ANCHORING FORMATS
(with application to building positive mental data reference base)
- PATTERNS THAT CREATE SELF-DEFEATING BEHAVIOR
(and how to make them self-enhancing behaviors)

Robert's TPM technologies are renown for their amazing power and simplicity. You will have the opportunity to practice using these tools to help yourself and others during the classes.

Thought Pattern Management® has been developed and refined for over 30 years through the careful study of many different schools of thought including:

- Traditional psychology
- Neuro-linguistic programming (NLP)
- Guided Imagery Processing
- Hypnotic language structures
- Mental time management and others

Thought Pattern Management® integrates these and other technologies in ways so virtually anyone can easily learn to manage their own thinking processes, control their own emotions and states, as well as help their clients and associates do so.

By working with your values, beliefs, and goals you'll easily learn to resolve internal conflicts; control any negative reactions and your emotions so you can start creating your life the way you truly want, right away.

Here's what people have to say about TPM.

"The process and methodology of TPM are at once simple and yet breathtakingly effective in the widest range of situations and for all kinds of people."
G.C. Professional Trainer, San Clemente, CA

"TPM synthesizes everything I have learned in my advanced and extensive NLP training and takes it to a much higher level. TPM delivers what NLP promises. This is the best training experience I have had so far." P.M. NLP Trainer, Santa Rosa, CA

If yesterday's skills no longer work for you in today's world, you need new skills. You need the kind of powerful skills to create the life you choose and Thought Pattern Management® has those skills.
